

# TUPPERWARE FRIEND FINDING

Hi I'm \_\_\_\_\_ with Tupperware and I'm not selling anything today. I just have a few questions to ask you and I have a free gift for you and will put you in a drawing for a free piece of Tupperware. Be friendly, smile and go right into your questions if you pause they may say no. Because so many solicitors approach them and are selling something.

- 1. How long has it been since you've seen Tupperware?*
- 2. Approximately how many pieces of Tupperware do you own?*
- 3. What is your favorite piece of Tupperware? Why?*
- 4. Do you know of anyone who could use an extra \$500-\$1000 in their families monthly budget?*
- 5. Would you be interested in receiving sales flyers with what's new in Tupperware every couple months?*
- 6. If I had a Tupperware party here at the Park or if one of our neighbors schedules a party in the next couple weeks would you be interested in coming?*  
*If yes, Great once I have scheduled a Party I'll bring you by an invitation.*  
*When you get that real friendly person that you think would have a party just by the conversation you've had with her, or the one that's new to the area or says she has no friends. Your response should be I have met \_\_\_\_\_ of our neighbors that haven't seen Tupperware in some time that said if I dated a party today they would love to be invited. How's that sound? I already have your guest list started!*
- 7. Do you belong to a Group or Organization in need of raising money?*
- 8. Last do you have any Warranty Tupperware items I can take care of for you?*

Thank them for participating ask for their name, number and e-mail for the drawing (you can catch the address when you leave) and give them the free gift (game gadget, like citrus peeler)
