Five Step Plan To a Great Tupperware Party!
Party Date_____ Time_____

Step 1: Invite 20-30 people
You'll never find a perfect time for all your friends, so by inviting twice as many you're sure to have a great turnout!

Step 2: Show your brochures & catalogs
For anyone who can't attend be sure to give them the opportunity to place an order. All outside orders count toward your sales credit.

Step 3: Remind everyone
Call each person 1-2 days before your party to remind them. Let them know you're excited about them attending & encourage them to BRING A FRIEND. (I'll have a bonus gift for them & their friend!)

Step 4: Find two datings
Two datings and just $500 in sales (approximately 10-12 orders) qualify you for free Tupperware or gifts from our exclusive host offers.
