

## The Dream Container Story (with tickets)

You can use the dream container or the large Fridgesmart Round for this game.

You should have 3 bigger pieces of Tupperware to give away and say "I am going to give you an opportunity to earn more tickets and then we will raffle off these pieces of Tupperware. But you need your purses-so go get them!"

1- The first 4 people that bring me their car keys and put them in the bucket will get 5 tickets.

2- The first person to bring me a \$100 bill will get 5 tickets.

3-The first 3 people to bring me a quarter will get 4 tickets.

4- The first person to bring me anything with Disney on it will get 2 tickets.

5- The first person to bring me anything pertaining to Hawaii will get 2 tickets.

6- The first person to bring me a rubberband will get 3 tickets.

7- The first person to bring me their credit card will get 3 tickets.

8- The first person to bring me a picture of their family will get 5 tickets.

9- The first person to bring me a band-aid will get 4 tickets.

10-The first person to bring me their diamond ring will get 3 tickets.

Make sure that you bring these items with you (fake \$100 bill etc.) incase that no one has any of them.

And then you say "Let me tell you a story":

1-\$100 bill: Address the person that gave you the bill-"Did you work hard for this \$100 bill?- Wait for an answer. "In Tupperware you can earn \$100 for an average Tupperware Party that takes you 2 hours to do! Is there anywhere else you can do that?"

2-The quarters: You earn a 25% discount on all products which means you earn 25% immediately of everything you sell!

3-Car keys: What if you had the opportunity when you chose, to drive for free, an SUV? What do think about that? (Wait for response from someone. Wouldn't that help out in monthly household expenses?)

4-Disney/Hawaii: You have a chance to earn a free trip to either Disneyland or Hawaii and we have a new Director that just did it.

5-Diamond Ring: Where can you get a 1.5 carrot diamond ring for free?

6-Family: It's a great thing to be able spend quality time with your family-yet still have something that you can be proud of that you were successful at!

7- Rubberband: This is not a career that your family has to work around-this works around your family.

8- Credit card: Who would love to be debt free? With Tupperware you have the opportunity to do just that!

9- Band-aid : We have medical, dental, vision, and prescription as well as 401K and office supply discounts.

Then do the drawing! The idea is for everyone to have fun and interact as well as make your point. Then ask everyone if they have ever thought of selling Tupperware and/or having a party!
